Re: Coach of the Year

My daughter, Megan Kramermardis, has played for Coach Jeff Metzcar for several years. I would highly recommend Jeff to receive the Coach of the Year Award as it is well-deserved for the following reasons:

Jeff is an exceptional coach.

He is a great role model.

He is patient.

He knows the game and instructs the girls well, developing them to be solid players.

He instills sportsmanship, never losing his temper.

He is fair and consistent with playing time and expectations.

He supports the girls and understands that soccer is not the only commitment they have.

He manages to make practices and games fun for the girls.

What more could a parent ask for!
