To Whom It May Concern,

Jeff Metzcar is an outstanding soccer coach with amazing dedication, enthusiasm and true love for the sport of soccer. Coaching two teams simultaneously, his evenings and weekends are always saturated with practices, games and tournaments. Despite the hectic pace each Fall and Spring, he maintains a positive, enthusiastic attitude that is infectious to the players, coaches and parents that come into his sphere of influence. Jeff's daily goal is to cultivate a love of soccer in each player he coaches, reinforcing the need for sportsmanship while building skills in a fun, engaging manner. Whether a win or a loss; Jeff utilizes each game as a learning experience - focusing on the positive elements immediately; saving the negative aspects for later discussion and correction in practice. He really listens to his players - often asking for their input on how things feel, what is or isn't working and how to make it better.

Jeff is an inspiration to me as a fellow coach. He manages to balance his work, home and soccer lives with boundless energy and a positive attitude. Jeff is always thinking of ways to keep the girls engaged and enthusiastic whether during a difficult, hot practice or during a difficult loss. I have grown as a coach based on my time observing Jeff in action and learning from his example. I can't think of a coach more passionate about soccer. Jeff is devoted to his players and dedicated to making them stronger team players while having as much fun as possible.

I cannot think of an individual more deserving of recognition as Coach of the Year.

Sincerely,

Brooke L. Bonno
