

The last 2 years we have been very fortunate to have had an amazing soccer coach for my daughter's soccer team. Her favorite sport was soccer, and it was important to us to have her be taught more about the game of soccer, while still being able to enjoy it. Jeff Metzcar and the Cosmos were the answer to that need. Jeff gives his heart and soul into his time with the girls. He loves the sport of soccer and works on instilling that same passion in the girls. They have learned a lot about teamwork and perseverance, as well as the necessary soccer skills required to compete at the level that they are. He makes practices fun for the girls, and yet still instructs them. Lesley would not be the player that she is today without his guidance and instruction. I believe that the reason she loves soccer so much is mostly because of his enthusiasm, excitement, and passion for the game, and we are so grateful to be able to have him as our coach.
