Mr. Martin,

Please accept this letter an expression of my support for Mr. Jeff Metzcar being the Cosmos Soccer Coach of the Year. Jeff's outstanding attitude, methods and style have had a significant positive impact on my daughter and on the team as a whole. Jeff has put together an excellent blend of competitiveness, inclusion and player development that has made the team successful, while still allowing the girls to have fun on the field. Through his leadership, my daughter has not only improved her soccer skills, she has also learned good sportsmanship, learned the importance of teamwork, discovered the effort required to be successful, found the satisfaction of success after hard work, and has also begun to understand that despite hard work, every effort will not always end in success. These are important lessons for young people to learn, and I greatly appreciate Jeff's efforts and the positive influence he always brings to the field. He is well deserving of recognition for his work.

Very Respectfully,

JEFFREY D. KUHN, Lt Col, PhD, USAF
